

Hueber Performance 14

Intended for Performance horses, for Yearlings, and Lactating Mares.

Designed with Hubbard Life Feeds formulation and technology to ensure a high quality vitamin and mineral level.

Chelated mineral included to promote disease and stress resistance. Soy Oil added to help deliver ample energy during lactation, and for moderate to heavy periods of training. Contains yeast to increase digestibility and promote optimal fiber utilization. Added Biotin to aid and maintain a healthy hair coat and hooves.

INGREDIENTS

Grain products, plant protein products, molasses products, processed grain by-products, vegetable oil, calcium carbonate, monocalcium phosphate, dicalcium phosphate, forage products, salt, sodium bentonite, lignin sulfonate sodium selenite, choline chloride, vitamin E supplement, zinc sulfate, ferrous sulfate, manganese sulfate, L-lysine, dried yeast fermentation solubles, brewer's dried yeast, selenium yeast, copper sulfate, vitamin A supplement, ethylenediamine dihydriodide, vitamin D supplement, cobalt carbonate, niacin supplement, cobalt glucoheptonate, zinc amino acid complex, manganese amino acid complex, copper amino acid complex, calcium pantothenate, zinc oxide, riboflavin supplement, menadione sodium bisulfite complex (source of vitamin K activity), pyridoxine hydrochloride, vitamin B12 supplement, thiamine mononitrate, folic acid, biotin, hydrated sodium calcium aluminosilicate, propionic acid (a preservative), amorphous silicon dioxide, ammonium hydroxide vermiculite, vitamin D supplement, vitamin B12 supplement, riboflavin, niacin supplement, thiamine mononitrate, calcium pantothenate, folic acid, biotin, pyridoxine hydrochloride, menadione dimethylpyrimidinol bisulfite (source of vitamin K activity)

CRUDE PROTEIN, min 14.0 %
CRUDE FAT, min 5.0 %
CRUDE FIBER, max 4.0 %
CALCIUM, min 1.0 %
CALCIUM, max 1.5 %
PHOSPHORUS, min 0.7 %
COPPER, min 73 ppm
SELENIUM, min 1.2 ppm
ZINC, min 282 ppm
VITAMIN A, min 12,279 IU/LB
VITAMIN D, min 2,726 IU/LB
VITAMIN E, min 147 IU/LB

FEEDING DIRECTIONS:

Feed Hueber Performance 14 to yearlings and horses doing a moderate amount of work (two to four hours each day) at the rate of 0.5 to 1.5 pounds per 100 pounds of body weight, along with 1.5 pounds of good quality hay per 100 pounds of body weight. Hueber Sweet 14 is also an excellent lactation diet for mares. Begin feeding Hueber Sweet 14 one month prior to foaling at the rate of 0.5 to 0.75 pound per 100 pounds of body weight daily. After foaling, increase the daily feed to 0.75 to 1.5 pounds per 100 pounds of body weight. Always supply a source of fresh, clean water.
