

KEY BENEFITS

GUT HEALTH

added probiotics & chelated minerals to support a healthy digestive system

BONE, JOINT & HOOF

added biotin & performance minerals act as an essential component to strengthen the resilience, stamina and ability to continually perform

SKIN & COAT INTEGRITY

organic trace minerals play a pivotal role in supporting skin integrity, deepening coat color & improving overall coat condition for a rich, shiny appearance

IMMUNE HEALTH

organic sources of zinc, manganese & copper provide nutrients critical for supporting a strong immune system that assists in managing health issues

MUSCLE DEVELOPMENT

utilizes a chelated mineral, that is more easily absorbed & metabolized, optimizing muscle development & recovery

EQUINE FEED

Your Success Is Our Priority
www.hueberfeed.com

WHY HUEBER?

Established in 1982, Hueber Feeds is a family owned company who takes pride in providing high quality products for our customers. Supporting the Equine Industry with an effective feed and supplement line is a priority of our brand.

It is our mission to formulate nutritious feeds and complimentary supplements for all types and kinds in the equine industry. We prioritize using locally sourced grains and ingredients to maintain consistency and quality in each bag.

Our communities are an important part of our success. We take pride in furnishing careers for 100+ families.

We welcome you to the Hueber Feeds Family with each purchase. We value each customer and those who keep the agriculture industry alive.

SIMPLY EQUINE

Our Simply Equine product line is designed to provide balanced nutrition for all classes of horses. In this product line, you will find quality ingredients to maintain overall health. This product line contains four ration formulations to best meet your horses’ needs at any given time.

ESSENTIAL EQUINE

Our Essential Equine product line is designed to provide balanced nutrition to all classes of horses. In this line you will find quality ingredients that are optimal for performance, breeding, and growing horses. This product line provides the added nutrition to meet your goals.
