

A high fat supplement for weight gain and coat condition for all classes of horses.

Promotes weight gain

Aids in skin & coat health

Composed of good microbes for a healthy gut

Supports a healthy immune system

Equi+ Gain is an easily digestible formula which promotes weight gain without increasing grain intake for horses. Equi+ Gain is ideal for horses who need extra calories due to activity, age or condition.

Established in 1982, Hueber Feeds is a family owned company who takes pride in providing high quality products for our customers. Supporting the equine industry with an effective supplement line is a priority of our brand and we look forward to serving you with a full line of equine feed and supplements.
