

# EQUI+ REPLENISH

An electrolyte supplement that helps replenish nutrients lost from sweat for all classes of horses.

**Replenishes electrolytes to encourage enhanced recovery and performance**

**Encourages hydration by increasing water intake through unique formulation**

**Equi+ Replenish** is a powdered electrolyte that helps to replenish nutrients lost from sweating. Our formula supplies electrolytes to encourage hydration.

Established in 1982, Hueber Feeds is a family owned company who takes pride in providing high quality products for our customers. Supporting the equine industry with an effective supplement line is a priority of our brand and we look forward to serving you with a full line of equine feed and supplements.
