

# EQUI+ RESET

A natural postbiotic that helps promote healthy digestion for all classes of horses.

**Contains beneficial metabolites to help maintain a healthy gut microbiome**

**Helps manage the response to the stress of exercise**

**Supports a healthy immune system**

**Equi+ Reset** is a natural postbiotic that helps promote healthy digestion. In addition to supporting your horses' overall health, **Equi+ Reset** also helps maintain immune strength by supporting the good microbes in the hind gut.

Established in 1982, Hueber Feeds is a family owned company who takes pride in providing high quality products for our customers. Supporting the equine industry with an effective supplement line is a priority of our brand and we look forward to serving you with a full line of equine feed and supplements.
