

Buttered Up

WHAT WILL BUTTERED UP DO FOR YOUR LIVESTOCK?

- Buttered Up is a liquid oil supplement for further manufacturing of feed
- Buttered Up will add energy and fat into the ration for sheep, goats, swine and beef
- 20lbs of Buttered Up will increase the rations fat content by 1%
- The flavoring in Buttered Up enhances feed intake and palatability

INGREDIENTS

VEGETABLE OIL, NATURAL AND ARTIFICIAL FLAVORING, MONO- AND-DI-GLYCERIDES, PROPYLENE GLYCOL, PRESERVATIVES: TERTIARY BUTYL HYDROQUINONE (TBHQ) AND CITRIC ACID

FEEDING DIRECTIONS

Add 20lbs of oil to raise the fat content 1% in a ton of complete feed. Buttered Up may be top dressed onto hay, grain or mixed into a total mixed ration.
